IMPORTANT - confirm eligibility to make a political donation

I have read and understood the State Government Donation Compliance requirements below and confirm that I am eligible to make a political donation and that I am not prohibited donor as defined by the Electoral Funding Act 2018.

THIS IS A STATE CAMPAIGN ACTIVITY

For NSW State campaigns, there are strict laws regarding who can pay, and how much can be paid, for fundraising events or as a donation in any one financial year. These laws vary for State, Local government or Federal campaigns.

WHO CAN PAY for State campaign donations / fundraising contributions:

- **Individuals** must be listed on an Australian electoral roll
- **Organisations** must provide an ABN (Australian Business Number), ACN (Australian Company Number) or other such number recognised by ASIC

WHO CAN'T PAY - Prohibited Donors

In NSW certain individuals and organisations are considered "Prohibited Donors" and we are unable to accept payments from them for State campaigns.

Prohibited Donors include property developers, tobacco industry business entities and for-profit liquor or gambling industry business entities. Further, Close Associates of these individuals or corporations are also Prohibited Donors. Company Directors and Officers and their spouses, persons whose voting power exceeds 20% (or their spouses), and any related body corporate are considered to be Close Associates.

A property developer is an individual or corporation carrying on a business mainly concerned with the residential or commercial development of land, with the purpose of sale or lease for profit, and in the course of carrying on that business:

- Has 1 relevant planning application pending determination; or
- Has had 3 or more relevant planning applications determined within the past 7 years.

Close Associates of property developers also includes any person(s) in joint venture or partnership with a property developer in relation to a relevant planning application from which, if approved, they would be likely to obtain a financial benefit.

You should be aware that if you make a donation, and become a property developer within 12 months, you may be liable to repay double that amount to the State.

IF YOU ARE NOT SURE WHETHER OR NOT YOU MAY BE A PROHIBITED DONOR, YOU SHOULD SEEK YOUR OWN ADVICE AND BRING YOUR CONCERNS TO THE PARTY'S ATTENTION.

HOW MUCH can you donate / pay to attend fundraising events:

For State campaign purposes there is a maximum allowed of \$6,300 for the aggregated value of payments by donors to the Liberal Party in NSW during the financial year 2018/19. This \$6,300 cap applies to both individuals and companies (or other entities).

Where aggregated contributions exceed \$1,000 in any one financial year, these must be disclosed by the donor to the NSW Electoral Commission, as required by the Electoral Funding Act 2018. Penalties apply for failure to lodge a declaration where required.

'Political Donations' include direct monetary contributions, event attendance fees and annual or other Party subscriptions.

Please deliver this Application Form together with your membership fee by mail, fax, email or in person.
